May 2010

Dear Producer:

You are encouraged to nominate yourself or someone else to represent your interests on the Farm Service Agency County Committee. FSA county committees are a unique arrangement that allow local guidance for federal farm programs. These committees are a direct link between the farm community and the U.S. Department of Agriculture. Committee members are a critical component of ensuring FSA agricultural programs serve the needs of local producers. Committee members are compensated for their time and travel related to county committee duties.

The duties of county FSA committee members include:

- Monitoring changes in farm programs and assisting with delivery of FSA farm programs at the local level.
- Informing farmers of the purpose and provisions of FSA programs.
- Participating in county meetings and hearing producer appeals at the local county level.
- Notifying the State FSA Committee of LAA conditions.
- Performing other duties as assigned by the State FSA Committee.

This year, nominations are for committee members to represent producers in Walla Walla County, LAA # 1 and Columbia County, LAA #1.

Walla Walla – LAA #1

LAA # 1 is located in the irrigation portion of the county, encompassing Lowden, Touchet, and Burbank communities

Columbia – LAA #1

LAA #1 is located in the northeast portion of the county, north of Pall Creek Road and east of Smith Hollow.

Please feel free to call your County Office for a more detailed description or a copy of the LAA map.

To hold office as a county committee member, a person must meet the basic eligibility requirements described below:

- Actively participate in the operation of a farm or ranch.
- Be eligible to vote in a county committee election. (Be of legal voting age and have an interest in a farm or ranch; not of legal voting age but supervises and conducts farming operations on an entire farm; participates in any FSA program)
- Reside in the LAA in which the person is a candidate.

The nomination form FSA-669A allows individuals to nominate themselves or any other person as a candidate.

Each form submitted must be limited to one nominee and signed and dated by the nominee (Item 3A) to indicate a willingness to have their name placed on the ballot and agree to serve if elected. Item 8A reflects the nominator's signature and date. For detailed instructions on completing the nomination form or requesting a form, please contact your local county FSA office, or refer to the website <http://www.fsa.usda.gov/laa>.

The deadline for nominations is August 2, 2010. Completed nomination forms are to be submitted to the county FSA address listed at the top of this letter and should be returned, delivered, or postmarked no later than August 2, 2010.

Sincerely,  
/s / Travis Martin  
County Executive Director

### DCP/ACRE Update

Producers operating farms with crop acreage bases established under the Direct and Counter-cyclical Payment Program (DCP) may signup for the 2010 program at this time.

The Average Crop Revenue Election (ACRE) program is an alternative to DCP participation. ACRE participants earn direct payments, but with a 20% reduction. Grain loan rates on ACRE-enrolled farms are also reduced by 30%. The benefit of ACRE is potential revenue protection payments on **planted crops** when market prices, state yields, and/or farm yields are below established guarantees. The opportunity to elect ACRE will be offered each year 2010-12, but once elected the decision is irrevocable through 2012. All producers on a farm must agree to the election.

The signup period ends on **June 1, 2010**, for enrolling farms in the 2010 DCP and ACRE programs. Late-filed applications cannot be accepted. Please contact the FSA office to make an appointment.

ACRE participants for 2009 must turn in yields for 2009 and previous years by **July 15, 2010**.

### Acreage Reporting Deadline

The acreage reporting deadline for most programs is **June 30, 2010**. Filing an accurate acreage report for all crops and land uses, including failed acreage and prevented planting acreage, can prevent the loss of benefits for a variety of programs.

Failed acreage must be reported within 15 days of the disaster event and before disposition of the crop. Prevented planting must be reported no later than 15 days after the final planting date.

Acreage reports are required for many FSA programs. For crops other than NAP (Noninsured Crop Disaster Assistance Program) crops, acreage reports are to be certified by the **June 30, 2010**.

Acreage reports on crops for which NAP assistance may be paid are due in the county office by the earliest of these two options: 1) June 30, 2010, or 2) 15 calendar days before the onset of harvest or grazing of the specific crop acreage being reported.

### SURE Signup Continues

FSA continues to accept applications for the Supplemental Revenue Assistance Payments Program (SURE). SURE provides benefits for farm revenue losses due to natural disasters that occurred in the crop years 2008 through September 30, 2011. To be eligible for SURE payments, producers are required to obtain crop insurance on all crops in all counties or, for crops for which insurance is not available, producers must participate in the Non-Insured Crop Disaster Assistance Program (NAP) except for grazed acreage. Coverage is not required for economically insignificant crops.

Socially Disadvantaged, Limited Resource, and beginning farmers or ranchers are exempt from the risk management purchase requirement.

### Vacancy Announcement

FSA has 2 vacancies for paid interns in a two-year training program. Upon successful completion, the interns will be eligible for farm loan officer positions in Yakima and Ephrata. The position closes May 17, 2010. For more information, see the FSA website <http://www.fsa.usda.gov/wa> or contact Administrative Officer Jonna Provinsal 509-323-3007.
